	Dr. Chamberlin is an AMAZING instructor! She was always clear in her expectations and explained concepts in a way that was easy to understand. She was always accessible outside of class during office hours and I cannot believe the strides I've made as a writer this semester.

Chamberlin	Dr. Chamberlin is so good at breaking down ideas and teaching you how to write better. She is a very effective instructor and she is so nice!
Chamberlin	I loved how she tied in readings that discussed current issues. Class discussions on the articles that we read were engaging and really made me look forward to UCWR. I'll be honest writing wasn't my favorite thing in the world and now I absolutely love doing it! She really change my outlook on writing and helped me see my potential.
Chamberlin	She was a very nice and helpful teacher. She always met with me when I had questions and gave clear criticism to help me improve.
